Morning and Afternoon Drop-Off & Pick-Up Instructions for LS, MS, and US Students

ALL parents dropping off and/or picking up their LS, MS, and US students will enter through the MAIN campus entrance on Bluffton Parkway.

Once on campus, traffic at the median will become one-way only, with MS/US in the left lane and LS in the right lane.

Parents dropping off MS/US students will make a u-turn into what was previously the LS drop-off/pick-up circle. MS/US parents will then exit back through the main campus gate to Bluffton Pkwy.

Lower School parents will continue to the back parking lot, between the Academic building and the football field bleachers, dropping off and picking up their LS student at the back of the Academic building (previously the MS/US entrance and exit). LS parents will then turn left out of the parking lot and exit campus through the Masters Way gate.

Students who drive to campus and park will enter and exit the Masters Way gate by the baseball field in the morning and in the afternoon.

Morning drop-off begins at 7:30 AM
